Read more Wondering if there's enough time to get to Hilo, Hawaii? Well, there's a website that can help you calculate the time required to travel from Honolulu to Hilo by car, plane, train, bus, air and even cruise ship. The site, flight2.com, lists out the estimated travel time for various travel options from Honolulu to Hilo. But you don't have to just rely on the flight2.com estimates. How do they calculate the time required for travel from Honolulu to Hilo? The site uses the U.S. Census Bureau's 2016 American Community Survey to figure out what the average person makes and spends on various expenses, according to the Census Bureau.

It then calculates the travel time based on such expenses. For instance, a flight to Hilo from Honolulu takes about 2 hours and 23 minutes, according to flight2.com. If you don't want to pay for your flight, you can calculate the estimated travel time from Honolulu to Hilo for free. If you travel by car, the average person drives about 93 miles to get to Hilo, according to flight2.com. The flight to Hilo is the cheapest option at \$447. The average cost of a plane ticket from Honolulu to Hilo is \$1046, but the fare rises as you're flying more. If you drive to Hilo, the estimated travel time will be 1 hour, 35 minutes. The average cost of gas from Honolulu to Hilo is \$4.21, but the cost rises as you're traveling further. If you travel by train, the average person takes about 2 hours, 15 minutes to travel to Hilo, according to flight2.com. The estimated travel time for a train from Honolulu
